Simple Sponge Lyrics - only sing SpongeBob

SpongeBob-

Sure, I spend my days floating around
Head in the bubbles and my feet on the ground
But there is more to me than just my name
Give me a chance and I could change the game

And maybe one day Mr. Krabs would say
"The Krusty Krab's yours, it's your lucky day"
That is what I've always wanted
Then I can finally say I've done it

Let me have adventure
Be a contender and more
(background singers)
I wish he'd see I'm not just the sponge next door

There's gotta be a better way
A way to save this town I love
But how can I stop the end of the world?
Am I just a simple sponge?

2. **Super Sea Star Saviour** -(Patrick) Sing 1:37-2:39

▶ Super Sea Star Savior - SpongeBob SquarePants the Musical Youth Edition

Super Sea Star Saviour Lyrics - only sing Patrick

This is weird, you guys
But I like having all you around
Look at all the new friends
That I have found
Your savior wants some cake
Does anybody bake?
I'm ready for a break now
Could someone bake me a ginormous cake?
And give it up! Raise the sound
I'll everyone
For I might be your shining star!

The great one
Grand one!
Guru!
One we can turn to
Super sea star saviour...
Me! Patrick Star!

3. ***I'm Not a Loser*** - (Squidward) Sing beginning - .40

 I'm Not a Loser - SpongeBob SquarePants the Musical Youth Edition

I'm Not a Loser Lyrics - only sing Squidward

I'm Not a Loser
I don't secretly hate myself
I'm not singing this to no one
It's not that case that no one cares
I don't stink.
I'm not a waste.
I'm not all alone in thinking
That I am not all alone.
Maybe I am a loser

Spoken Selections

1. SpongeBob to Patrick-

Hey buddy, I get it. I get stressed out too sometimes. Like when Mr. Krabs says I'm not manager material. He said I would never be more than a fry cook. The point is we're going to get through this emergency together. And we don't need television, as long as we have ... imaginnaaaaaation!

2. Plankton to Karen -

If they reach the top and save the town, my scheme will be ruined! And I still don't have a plan to stop them. Oh Karen, my Avalanche Maker 3000! Where did you find it? We can use it to start a landslide that they'll never survive. Then Chumville, here we come! Oh Karen it's evil. It's diabolical. It's (sniffs it)..... lemon scented? (Shrugs) Mwahahahahahahahahahaha.....

3. Sandy to SpongeBob & Patrick -

This town doesn't want my help - they want me gone. Let's face it, I've never fit in here. Then again, I never really fit in Texas either. I was always the odd rodent out. No one knew what to make of a girl-squirrel who was into science and martial arts. (A realization) I've never felt at home anywhere, really. And now it's time to dig up my acorns again and push on.

4. French Narrator - to Audience

(Accent Please) Ahhhhh.... Bonjour, salut and welcome to this quiet corner of the ocean floor. It is here we find the sub-marine habitat known as Bikini Bottom. Let us observe now as the sun rises on a new nautical day. And here.... A pineapple? This fruit is the home to one of the most fascinating sea creatures of all: aplysina fistula is.... The yellow sponge.
